Saturday, April 2, 2016
Skaneateles Falls American Legion
10:00am – 11:30am**

PLEASE JOIN US. The purpose of this initial community gathering will be to establish community goals for your Town park. The Town has received a County grant for a playground, for which we want to share the possibility of a community- build project; however, nothing has been decided. Perhaps you have additional or different goals for your park. LET'S TALK ABOUT IT!

Refreshments will be provided

We want to hear from you. Any questions, please call 315-727-9320.
