3. Describe proposed physical or ope	rational changes to the pro	operty:
SITE PLAN REVIEW STANDARDS A	ND PROCEDURES – see	e §148-10-6 and 10-8

SPECIAL PERMIT REVIEW CRITERIA

The applicant shall submit a narrative written report responding to the criteria below. (see § 148-10-7)

Considerations in granting or denying Special Permits. Before granting a Major project Special Permit, the Planning Board shall make specific written findings that the proposed major project:

- 1. Will comply with all provisions and requirements of this chapter and of all other local laws and regulations and will be consistent with the purposes of the land use district in which it is located, with the Comprehensive Plan and with the purposes of this chapter.
- 2. Will not adversely affect surrounding land uses by creating excessive traffic, noise, dust, odors, glare, pollution or other nuisances.
- 3. Will not result in the release of harmful substances or any other nuisances, nor cause excessive noise, dust, odors, solid waste or glare.
- 4. Will not adversely affect the general availability of affordable housing in the Town.
- 5. Will not cause undue traffic congestion, unduly impair pedestrian safety or overload existing roads, considering their current width, surfacing and condition.
- 6. Will have appropriate parking and be accessible to fire, police and other emergency vehicles.
- 7. Will not overload any public water, drainage or sewer system or any other municipal facility or service, including schools.
- 8. Will not degrade any natural resource, ecosystem or historic resource, including Skaneateles Lake or Owasco Lake.
- 9. Will be suitable for the property on which it is proposed, considering the property's size, location, topography, vegetation, soils, natural habitat and hydrology and, if appropriate, its ability to be buffered or screened from neighboring properties and public roads.
- 10. Will be subject to such conditions on operation, design and layout of structures and provision of screening, buffer areas and off-site improvements as may be necessary to ensure compatibility with surrounding uses and to protect the natural, historic and scenic resources of the Town.
- 11. Will be consistent with the community's goal of concentrating retail uses in the village and hamlets, avoiding strip commercial development and locating nonresidential uses that are incompatible with residential use on well-buffered properties.
- 12. Will be able to comply with the rural siting principles in the Town Policy & guidebook, if applicable, and with the site planning standards of §148-10-8 copy of text in code. Will comply with relevant site plan review standards of §148-10-6 and the Rural Siting Principles in Town Policy and Guideline Book shall be taken into consideration.
- 13. Will have no greater overall impact on the site and its surroundings than would full development of uses of the property permitted by right. This criterion shall not apply in the HC district.
